ACCESS DECLARATION

Unless otherwise declared on this form. We will presume normal access for a large removals truck & trailer and your quotation will be based on that.

Is there any access difficulty at either the collection or delivery address ?

If you answered yes to the above question, please answer the following questions.

Are there any parking restrictions at either the collection or delivery addresses?

Is there a walk of more than 30 foot from where the truck has to park to the residence?

Is there any stair carry ?

Are there any steps up to your house / apartment?

Is there any low bridges, over hanging branches from trees etc on the approach to your residence?

Have you made any structural changes to the house since you moved your furniture into it that might cause exit access difficulty for large items. e.g. New Porch.

If you are unsure of the access. Please telephone and schedule a free of charge and free of obligation survey of your area for possible access problems.

Please complete the attached inventory giving as much details as possible.

IMPORTANT

Unless otherwise stated I will presume that all the boxes will be packed by yourself and there is no furniture disassembly / reassembly required.
